

COSMETIC SURGERY PROPOSAL:

Cosmetic Surgery Proposals will be honored for 6 months from the date of the proposal. The Pre-Op appointment as well as 6 months of follow up visits are included in the surgery fee.

A \$250 NON-REFUNDABLE deposit is required to schedule the surgery date.

All fees are payable three weeks prior to the scheduled date of the procedure and required during the Pre-Pay/Nurse Visit appointment.

If payment is not paid in FULL during the Pre-Pay portion of the appointment, the Nurse Visit will need to be rescheduled and the surgery date may change.

If the surgery date is changed within 30 days of the surgery date, an additional \$250 non-refundable deposit will be required and the original \$250 non-refundable deposit WILL NOT be applied.

The patient may reschedule ONE time with no penalty if rescheduled more than 30 days from the surgery date.

If the surgery date is rescheduled AFTER the Pre-Pay/Nurse Visit, the patient will be required to pay a 30% rescheduling fee and an additional \$250 non-refundable deposit to secure the new surgery date.

If the procedure(s) is cancelled within 3-14 business days of the surgery date, the patient will receive a refund less 30% from the PSI Surgery Center, LLC and Plastic Surgery Institute of Dayton, Inc. payments. An additional \$250 non-refundable deposit will be required to reschedule. The original \$250 non-refundable deposit WILL NOT be applied.

NO REFUND will be given if surgery is cancelled within 2 business days of the surgery date.

For cancelled/rescheduled surgeries, there WILL BE a penalty from Kettering Anesthesia Associates.

***PATIENT MUST QUIT SMOKING, VAPING AND USING NICOTINE PRODUCTS FOUR WEEKS PRIOR TO SURGERY-NO EXCEPTIONS.**

PLEASE NOTE: If the patient arrives for their Pre-Pay/Nurse Visit without having read the Patient Consents (instructions given during quoting process [in person or via email] and available on our website), the patient will forfeit their \$250 non-refundable deposit and it will not be applied to their surgery costs.

*For Breast Augmentations: An implant change, after the Pre-Pay/Nurse Visit, will incur an additional \$150 charge.
